

10 SKILLS FOR SUCCESSFUL LEADERSHIP: A FOCUS ON THE ASSISTANT PRINCIPAL

Learn how to develop your leadership potential!

This one-day program will focus on NASSP's *10 Skills for Successful School Leaders*. Participants will actively engage in learning to help them understand where they are currently as leaders and begin to chart a course to improve targeted areas as a means to strengthen their leadership in schools overall.

ABOUT JANICE CASE

An educator with more than 20 years of public and private K–12 experience, Janice Case has been a middle level and high school principal, assistant principal, and special education teacher. A leader in guiding school transformation, she has provided professional development services to schools and school leaders nationwide. She has also worked with committees and task forces at the state and national level on implementation of new teacher and principal evaluation standards and practices.
