

Homework Assignment:

1. What district protocols and procedures are in place for grieving students?

2. Who are the district support personnel and/or support team members and what are the procedures for contact by schools?

3. What additional community resources are available to the school to support grieving students? Review the Social & Emotional Training Resources (*Principal Leadership*, November 2015, p. 29) and the resources on www.grievingstudents.org.

4. What is the communication plan your school staff will follow in notifying and engaging the school community?

5. How will social media be used in notifying the school community and what school personnel will be responsible for contact?
