

ADVOCATE. INFLUENCE. TRANSFORM.

NASSP IS YOUR GUIDE TO THE EVERY STUDENT SUCCEEDS ACT THE NEW FEDERAL EDUCATION LEGISLATION

Every day, decisions are being made by policymakers at the federal, state, and district level that impact school leaders and students.

Congress passed legislation in December 2015 to reauthorize the current version of the Elementary and Secondary Education Act (ESEA), essentially ending No Child Left Behind as school principals know it. This new version of ESEA is the **Every Student Succeeds Act**, and NASSP's advocacy staff is available to present at your next state conference or event to provide guidance about the new law's provisions including:

- Standards and assessments
- Educator evaluation
- Accountability for schools not meeting expectations

Staff is also available to make presentations on a variety of other important topics including:

- Federal policy and the power of grassroots advocacy
- Online advocacy resources
- The federal budget and appropriations process
- Conducting successful Capitol Hill visits
- Social media training

NASSP will cover the cost of travel to the conference or event, and the state association pays for the hotel, meals, and other incidentals.

To request a presentation at your state's next conference or event, contact NASSP Advocacy Director Amanda Karhuse at karhusea@nassp.org.
